

TSE BRAKES DISC BRAKE WARRANTY

TSE Brakes, Inc., Cullman, Alabama warrants all New Brake Actuators manufactured by TSE Brakes to be free from material and labor defects for the period specified below from the date of manufacture as follows:

3 Years – OMNIBRAKE HOT and HOT SERVICE CHAMBERS

TSE Brakes also warrants damage to a disc brake caliper caused by the failure of a TSE HOT Actuator within three (3) years from the date manufacture of the actuator, subject to the limitations below.

LIMITATIONS OF WARRANTY

1. This warranty applies exclusively to TSE brake actuators sold for use on internal lever disc brake calipers on the market as of January 2002, within North America, Europe, Australia and New Zealand.
2. This warranty does not apply to parts and assemblies, which have been subjected to misuse, improper installation, accident, physical damage, abnormal service, fire, improper repair, tampering or abuse. Misuse includes, but is not limited to, operation without a caging tool hole plug properly installed, and where applicable, operation without vent hole plugs properly installed.
3. The start of the warranty period is determined by the date of manufacture as indicated on the actuator.
4. TSE reserves the right to have any claimed parts or assemblies returned to TSE Brakes, freight collect, for evaluation, or to evaluate the warranty claim in the field. If TSE Brakes determines the actuator was defective in material or workmanship within the warranty period, TSE Brakes shall either repair or replace the actuator and or disc brake caliper, as required. The determination of a warranty claim is solely that of TSE Brakes' discretion. Warranty on calipers shall be limited to parts and direct labor to the caliper for repairs. All such charges including parts and labor shall be limited to a maximum of \$750.00 USD per caliper.
5. Warranty claims must be made in writing to TSE Brakes Headquarters in Cullman, AL, USA.

The responsibility of TSE Brakes, Inc., is limited to the repair or replacement, as determined by TSE, of the defective product, material and/or affected, covered disc brake caliper as described in this Warranty.

In no event shall TSE Brakes, Inc., be responsible under this warranty for any other charges, including but not limited to: Charges or claims for other products, materials, components, labor charges, lost business, down time, loss of use, or any other kind of consequential damages however described.

This warranty is expressly in lieu of all other warranties expressed, implied or statutory. All other warranties, expressed, implied or statutory, including any Warranty of merchantability or fitness for a particular purpose are hereby excluded and expressly disclaimed.
